

Directions and Map to Lung and Chest

2609 New Hartford Road, Suite 2, Owensboro, KY 42303

- 1. From the east via US-60:** Follow US-60 and take Exit 16 to US-231/New Hartford Road. Turn right onto New Hartford Road. Continue approximately one mile down New Hartford Road. Once you pass a US Bank on your left, take an immediate left onto 27th Street and then a right into the office parking lot. If facing the building, with the US Bank to your back, the office is on the left side.
- 2. From the west via US-60:** Follow US-60 and take Exit 16 to US-231/New Hartford Road. Turn left onto New Hartford Road. Continue approximately one mile down New Hartford Road. Once you pass a US Bank on your left, take an immediate left onto 27th Street and then a right into the office parking lot. If facing the building, with the US Bank to your back, the office is on the left side.
- 3. From the south via US-231:** Drive north up US-231 and cross the bridge over US-60. Continue approximately one mile down New Hartford Road. Once you pass a US Bank on your left, take an immediate left onto 27th Street and then a right into the office parking lot. If facing the building, with the US Bank to your back, the office is on the left side.
- 4. From the north via Triplett Street:** Drive south down Triplett Street. Turn left onto 27th Street. Turn an immediate left into the Lung and Chest parking lot. If facing the building, with the US Bank to your back, the office is on the left side.

Note: Lung and Chest is in the median immediately after New Hartford Road splits into Triplett Street and Breckenridge Street.
